BACHELOR OF ARTS GRADUATES MUST MEET 3CR CANADIAN CONTENT AND 3CR INTERNATIONAL CONTENT EXIT REQUIREMENTS. INFORMATION ON HOW TO MEET THESE REQUIREMENTS, AS WELL AS IMPORTANT DEGREE REGULATIONS, IS ON THE BACK OF THIS SHEET.

Degree Regulation Checklist

- All degree requirements must be fulfilled with a minimum of 120 credits of non-duplicative coursework (i.e., each course listed on the front of this page can only be counted once).
- Students must complete a minimum of 60 credits toward their degree through MacEwan University to meet Academic Residency requirements. Those 60 credits must include:
 - A minimum of 15 MacEwan University credits in the **major**, including six credits at the 400-level.
 - A minimum of 6 MacEwan University credits in the **minor**, with three of those credits completed at the 300- or 400-level. (Students completing a Science minor must meet the B.Sc. minor residency requirements.)
- Students may complete **a maximum of 48 credits at the 100-level**. Additional 100-level courses will be declared Extra to Degree (i.e., not counted towards graduation requirements).
- A maximum of 9 credits of 100-level English are permitted towards completion of the BA degree. ENGL 108 and ENGL 111 **cannot** be used toward the BA degree.
- Students must present an overall Graduation Grade Point Average (GGPA) of 2.0 or higher, with a minimum GPA of 2.0 on all courses credited towards the major and a minimum GPA of 2.0 on all courses credited towards the minor.
- Students can use a maximum of six credits with a final grade of D or D+ towards their major.

Exit Requirements

Exit requirements are the one place in a BA degree that a student can use duplicate credit. In other words, at least 3CR on the front page of this degree planner must meet **Canadian Content** requirements and at least 3CR must meet **International Content** requirements.

Notes

1. Students are responsible to read the institutional and degree regulations in the current MacEwan University Academic Calendar. While the checklist above and these notes provide an overview of some degree regulations, they are not comprehensive.
2. Students are responsible for reviewing course descriptions in the MacEwan University Academic Calendar and their grades as posted to *myStudentSystem* to ensure they have met course prerequisites. The minimum prerequisite grade for most Arts courses is C-, however it may be higher especially for 300- and 400-level courses.
3. Electronic copies of this form and the major and minor planning sheets can be found at www.macewan.ca/bastudent.
4. Courses numbered from 100 to 199 are junior level. Courses numbered from 200 to 499 are senior level.
5. Students are encouraged to declare their major and minor by the time they have completed 45 credits. The major and minor cannot be in the same discipline (e.g., Arts Psychology major/Science Psychology minor).
6. Students are encouraged to complete their core requirements in the first and second years of their program. Core requirement courses are usually junior level, with the possible exception of Language Other than English courses.
7. At times, students may wish to complete a course toward their MacEwan University degree at another post-secondary institution. To use an external course toward their MacEwan University degree, students must apply for Visiting Student permission through the Faculty of Arts and Science Program Services Office **before** they enrol at the other post-secondary institution. Courses taken without pre-approval may not be accepted. Visiting Student rules can be found online at www.macewan.ca/bastudent.
8. At times, students may wish to take more than 15 credits in a single term. Students must apply for Credit Overload permission through the Faculty of Arts and Science Program Services Office **before** enrolling in more than 15 credits in a single term. Credit Overload rules can be found online at www.macewan.ca/bastudent.
9. Graduation requirements are governed by the date on which a student declares their major and minor.
