IMPORTANT PLANNING NOTES

- Students completing an out-of-faculty minor or laddering students must complete their remaining degree requirements from courses offered within the Faculty of Arts and Science or the Cross-Faculty Course Recognitions list. You can find the Cross-Faculty Course Recognitions list on your major requirements page in the Academic Calendar.
- Students declaring non-Science minors must ensure they are meeting the minimum requirement of 72 credits in Science courses.
- MacEwan students with previous credit in WRIT 101 from another MacEwan program do not require ENGL 102 but must complete the additional 3 credits of ENGL (not including ENGL 111, 108, or 211). Bachelor of Arts and Bachelor of Science students cannot take WRIT 101 in place of the ENGL 102 requirement.

- Courses with the notations of W (withdrawal), AU (audit), or TR (transfer) are not included in any GPA calculation.
- Your program of study is determined by the year in which you declare your major(s) and/or minors(s).
- **All program and degree requirements must be completed by May 1st for June convocation and by October 1st for November convocation.** In other words, you cannot be in courses required for your degree in the same term that you are graduating.
