Important Planning Notes

1. Courses required for the minor may be used to satisfy the breadth requirements in a Bachelor of Arts or Science degree. Please refer to the applicable degree planner for details.
2. Students are required to consult the MacEwan University academic calendar to ensure they meet prerequisites for all courses they enrol in.
3. PSYC 241 and SOCI 241 are equivalent courses. Credit can be obtained in only one of the two courses. SOCI 241 can be used towards a Psychology major. The course can only be credited once towards a degree.
4. PSYC 439, which is a field placement course, does not satisfy the 400-level requirements of this minor. Please see an advisor in the psychology department for more information.
5. Please keep in mind that course offerings will vary from academic year to academic year.
