IMPORTANT PLANNING NOTES

1. Options Requirements – Students must take 24 credits of degree options from courses offered by the Faculty of Arts and Science, and may include additional major coursework within the major discipline of study to a maximum of six senior-level credits. Options MAY NOT include additional Business Studies minor coursework or courses offered outside the Faculty of Arts and Science.
2. ECON 101 and ECON 102 can be used to satisfy the Social Sciences core requirements of a Bachelor of Arts degree, or the Social Sciences or Arts core requirements of the Bachelor of Science degree. STAT 151 (or equivalent) can be used to satisfy the Analytical Studies core requirements of a BA degree or the Math, Statistics and Computer Science core requirements of the B.Sc. degree.
3. Students may also use equivalent courses, including STAT 141 or STAT 152, to meet this requirement.
4. See the reverse side of this sheet for a listing of Business Studies courses available to Bachelor of Arts and Bachelor of Science students at MacEwan University. Please keep in mind that course offerings will vary from academic year to academic year. Student may address questions about planned course offerings to the Faculty of Arts and Science Program Services Office.

*This planning sheet should be used only as a **guide** for course planning and it should be used in conjunction with the Bachelor of Arts Degree Planner. Remember: not all courses listed are offered each year and course offerings are subject to change. In the event of a discrepancy between the information presented on this sheet and that available on myStudentSystem, the information on myStudentSystem will be considered accurate.*
