Declaration Process

The Business Law minor is a competitive minor. Students must be finished or enrolled in LEGL 210 during the winter term when the declarations close.

There are 10 seats available in the Business Law minor each year. Students will submit their declaration by January 15. Students who apply will be ranked by their admissions GPA, which is calculated using their most recent 24 credits of university-level course work, without breaking up a term. Applicants with the 10 highest GPAs will be admitted to the program. Students will be notified of the success or denial of their application to the Business Law minor no later than February 1.

Important Planning Notes

1. Only five seats have been reserved in each of the LEGL courses (not including LEGL 210) for students in the Business Law minor. These seats will be held until May 1, 2021. After that time they will be released for students in the School of Business. Please plan your program and enroll early to get the best selection.

2. The Business Law minor is an out-of-faculty minor. Students completing an out-of-faculty minor must complete their degree options from courses offered within the Faculty of Arts and Science.

3. Students are required to consult the MacEwan University academic calendar to ensure they meet prerequisites for all courses they enrol in.

4. Please keep in mind that course offerings will vary from academic year to academic year.
