IMPORTANT PLANNING NOTES

1. Junior-level HIST and CLAS courses can be used to satisfy the Humanities core requirements of the Bachelor of Arts degree, or the Arts core requirements of the Bachelor of Science degree.
2. Students minoring in History are not required to take junior-level HIST or CLAS courses as part of their degree, though they are encouraged to do so. Students are required to research and meet the prerequisites for every senior-level HIST course they take as part of their degree.
3. See the back of this sheet for a listing of History courses offered at MacEwan University. Please keep in mind that course offerings will vary from academic year to academic year. Student may address questions about planned course offerings to the History discipline chair or the Faculty of Arts and Science Program Services Office.

*This planning sheet should be used only as a **guide** for course planning and it should be used in conjunction with the Bachelor of Arts or Bachelor of Science degree planner. Remember: not all courses listed are offered each year and course offerings are subject to change.
