At the Official Languages Programs, our main goal is to promote and encourage English/French bilingualism throughout Canada. Our program Explore is a study program where students can go to another part of Canada for 5 weeks in the spring or the summer to take a French course suited to their ability, and most costs are covered by the government! Our other program Odyssey is a professional program where people with at least one year of post-secondary education go to a French-speaking part of Canada and help francophone youth learn English as a second language through various activities and small lessons, it is also possible to assist the teacher in the classroom at times! It is good professional experience, and it pays \$30/hr and is 25 hours per week from September to May.

At PCL, we build people, communities and legacies.

As builders we are driven by a desire to make a positive difference in the communities where we work, live and play. We do this by investing in our employees' development and growth, and by nurturing solid relationships with our clients, partners and each other. Our proactive approach to safety, sustainability and innovation comes from the vested interest we have as owners, and this mindset enables us to tackle the most ambitious projects that change the horizon and leave a legacy we are proud to build.

At The Driving Force Group of Companies, fun is our fuel, and collaboration is key to our success. Our people can count on career advancement opportunities, professional development, competitive wages, wellness programs, ongoing employee engagement and more. We have fun, we work hard, and we do it with a smile. Here, we don't offer jobs. We grow careers that we're proud of and partnerships that make a difference-one person, one project, one community at a time.

Since day one, integrity, respect, commitment and passion have led our growth. More than words, they're our self-guiding system and core to our success-deeply held beliefs that we live and work by. Over the decades, our scope and size have changed, but our fundamental principles have stayed the same. Our customers are our partn...

WCB-Alberta was created by Government of Alberta to administer the Workers' Compensation Act for the province's workers and employers.

Funded by employers, WCB provides cost-effective disability and liability coverage for work-related injury and illness. WCB strives for fairness when making decisions that affect the nearly two million workers it covers, and the more than 160,000 employers whose contributions fund worker benefits, health care services and re-employment programs.
