

This sheet is for reference only. All minor requirements must fit within the appropriate requirements for a Bachelor of Commerce degree.

The most reliable way to regularly check your program progress is to use the Academic Program Progress Report (APPR) in myStudentSystem. Information on how to run that report is [HERE](#). If you need assistance interpreting the APPR, you can book an appointment with a School of Business Academic Advisor by following the link from [HERE](#). You may also request a [Program Check > Confirm your progress > Request a program check](#).

The Finance minor is a competitive minor. Students must present a minimum grade of C- in these three courses (or equivalents): ACCT 322, FNCE 301, and MGTS 103. Students must be in good academic standing. Students will be notified of the decision on their application to the finance minor not later than February 1.

Overall Minor Requirements:

- 15 senior-level credits as specified
- Minors are not a graduation requirement
