Root for
Trees

Root for Trees is the City of Edmonton's volunteer tree-planting initiative! Root for Trees increases native tree and shrub planting throughout the city with the help of corporations, local businesses, community groups, teams, families, and individual residents. The Root for Trees program helps to expand Edmonton's urban forest by planting trees for Edmontonians by Edmontonians.

Community standards enhance a livable city by supporting safe properties and a civil urban society that meets the standards and expectations of communities. This is accomplished by the identification of standards, together with the education, compliance and, where necessary, enforcement initiatives required to uphold them. Our enforcement officers help protect residents by promoting compliance with the City's community standards while ensuring a sense of safety and security for all.
