Scholarship aligning with one or more of the following categories is eligible for funding through the Thematic Area Funding grant:

- Health and wellness in communities
- Persuasive and immersive technologies in research and the scholarship of teaching and learning
- Energy and environment

This grant must include a faculty member from outside your discipline as part of the research team, or a community partner. Stronger applications will have an interdisciplinary research team and a community partner.

Max. Grant Amount: \$10 000. Grant funds must be utilized within twelve months from the award date. Extensions will not be considered.

Deadline to Apply: December 13, 2024. Please note, funding is limited, and this grant will be adjudicated and awarded as applications are received.

Eligibility: An individual is eligible to apply for internal research funding if they hold a full-time faculty appointment that contains research within its position duties. Sessional faculty are only eligible to be collaborators on internal grants as part of a research team. **Previous recipients of a thematic area funding grant are not eligible to apply for this grant again.**

NOTE: This is a sample application for reference purposes only. Content may not be current. Applications will only be accepted through the Online Grant Application System in PeopleSoft. No other submission formats will be accepted.

Declaration

Do you consent to the use of non-identifying portions of your application by the Office of Research Services for training purposes?	Yes
---	-----

I certify that the information provided within this application is true and accurate to the best of my knowledge. I acknowledge that I am aware of and will adhere to all required MacEwan University policies and procedures, as well as conditions set forth in the Letter of Award. I also acknowledge that for internal grants I will be required to submit a final report to the Office of Research Services within 30 days of the completion of the activity. I further confirm to be free of Conflict(s) of Interest and/or Conflict(s) of Commitment as per the [Employee Code of Conduct](#) and the [Responsible Conduct of Research and Creative Activity policy](#), except where explicitly stated within the application.

Finish

Congratulations! You have submitted your grant application.

Your application has been sent to your Department Chair and Dean for review and approval, and then to the Office of Research Services for final review. If your Department Chair and/or Dean have questions, they will send your application back to you for updates. If your application is sent back, you will receive an email notifying you of this, and you will be able to access your application to make changes within "My Grant Applications" in the Research tile.

All changes must be made and approved by the approval deadline. Applications must be approved by your Dean by the faculty approval deadline and by the Office of Research Services to move forward to adjudication.

If you have any questions regarding the status of your application, or feedback to provide on the grant application process, contact research@macewan.ca.
